FROM THE DEPARTMENT CHAIR

Robson Marinho, PhD

Thank You!

This month we have a special issue of the newsletter featuring our Orientation and Conference Memories. Thanks to all of you who made our 2nd AU Leadership Conference so special! I am sure the reflections we made on Emotional, Social and Spiritual Leadership will contribute to our leadership performance in different areas. And those who participated in the pre-session on Spiritual Leadership (with presentations by Richard Blackaby and Stan Patterson) asserted that this was the major innovation of the 2012 conference. Thanks to Stan for implementing and coordinating this high level pre-conference program.

Our Roundtable program, now embedded in the AU Leadership Conference, has always been our major opportunity for reviewing and encouraging participants’ progress in the program. Thank you all for your honest feedback and evaluations. You’ve given us plenty of suggestions for improvement; you can be sure our faculty will review together every single comment and suggestion so we can make next year’s program even better. I’d like to share a few general highlights that you and your fellow participants noted:

“The quality of the speakers and discussions was outstanding.”

“More competency workshops in the future. They were eye opening and the best part of the roundtable. It was extremely helpful and productive.”

“The practical material on competency presentation was TERRIFIC!”

“Thanks for a super equipping, professional and resourceful roundtable.”

“I was richly blessed and empowered!”

Above all, your participation was the major highlight of the conference. The support and involvement of each faculty member and each participant made this conference a productive opportunity.

Now take a look through our photo album and reflect on your memories of the 2012 Leadership Conference!
