ACKNOWLEDGEMENT

I thank God with all my heart for giving me the chance and pulling me through the hardship throughout the journey at Andrews University. I am very grateful for Dr. Chi Yong Yun whom I am obliged for all the teachings she has provided. Through her teaching, I was able to learn how the piano should be played with passion and musicality. Without the instructions and support she has provided me with, I would have never approached performance that is both passionate and musical. I am thankful for my family and friends who have supported my studies in music. Lastly, I thank you for all who have come to support my senior recital. Thank you!
