By: Andrews University Speech-Language Pathology program

As part of the typical accreditation process for MS in Speech-Language Pathology programs, the Council on Academic Accreditation is seeking comments in advance of its scheduled April 1–2, 2019, site visit.

The MS in Speech-Language Pathology program at Andrews University is undergoing the process for accreditation by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language Hearing Association (ASHA).

The program is undergoing an accreditation site visit. As part of the site visit, a public meeting will be held on Monday, April 1, 2019, from 4:30–5:30 p.m., in Newbold Auditorium, Buller Hall on the campus of Andrews University in Berrien Springs, Michigan. Programs in the process of an accreditation site visit are responsible for soliciting public comment from students and consumers by holding a public meeting during the scheduled site visit.

All persons interested in making public comment about the programs are welcome to attend the meeting. A copy of the Standards for Accreditation and/or the CAA's policy on Public Comments may be obtained by contacting the Accreditation Office at ASHA, 2200

Research Boulevard, #310, Rockville, Maryland 20850, calling ASHA's Action Center at 1-800-498-2071, or accessing the documents online at the following URLs:
