

Medical Laboratory Professionals Week

Medical Laboratory Professionals Week

[Medical Laboratory Sciences](#)

Sun, April 21, 2019 @ 06:00 am - 11:00 pm

MLS Department

Medical Laboratory Professionals Week, April 21–27, 2019, is an annual celebration of medical laboratory professionals and pathologists who play a vital role in health care and patient advocacy!

The Department of Medical Laboratory Sciences proudly is sponsoring the following Lab Week events:

- Monday—Microbiology, 1–4 p.m., *Create your very own agar plate*
- Tuesday—Blood Bank/Transfusion Medicine, 1–5 p.m., *Blood drive*, PMC parking lot
- Wednesday—Clinical Chemistry and Immunology, 1–4 p.m., *Play pipette battleship*
- Thursday—Hematology, 1–4 p.m., *Look at the microscope and take a quiz to test your knowledge of different cells*
