

Campus Signage Policy

[Campus Announcements](#) | Posted on April 25, 2019 #3

As part of the planning for the University entrance, the Arboretum Council and the Facilities Management Committee voted temporary signage would be prohibited at the University entrance and along J.N. Andrews Boulevard. This policy was deemed reasonable because of the increased visibility of the official entrance to the University and the way-finding signs installed throughout campus.

Signs placed at the entrance or along J.N. Andrews Boulevard will be removed and can be picked up at Arboretum/Grounds. Signage left unclaimed for 30 days will be disposed of. Banners may be placed at the end of J.N. Andrews Boulevard on the poles provided. Reservations/arrangements to install and store banners can be made with Plant Services.
