Andrews University will host Adventist Engaged Encounter (AEE) the weekend of March 6–8, 2020. AEE is an enrichment weekend for seriously dating, engaged and recently married couples. It offers insights and tools for couples to develop their relationship and strengthen their commitment for one another.

There are three main aspects to AEE’s programming: fellowship with other recently engaged and newly married couples, teaching by marriage mentors, and personal communication and connection development with one’s partner.

For many, attending an AEE weekend is one of the most significant experiences of their dating, courtship or early marriage. One of last year’s participants says, “AEE has helped me understand my fiancé better than before. We talked so much! We feel closer and are excited to build a great marriage!”

For registration information, contact Jeff and Twyla Smith at [aee@andrews.edu](mailto:aee@andrews.edu) or 269-815-8491.
