

FOCUS | Spring 2014

### Good memories

This photo was taken when I was senior vice president of the Rochester General Health System in New York. The intersection of Andrews and University was on my commute between my administrative offices and the flagship hospital and it always brought a smile to my face when I saw these signs.

**Will Faber, MD, MA, MHCM (BA '79)**

### Don't forget to write

**Letters to *Focus* are always welcome.**

To ensure a range of viewpoints, we encourage letters of fewer than 300 words. Letters may be edited for content, style and space.

**By mail:** Editor, Focus  
Andrews University  
Berrien Springs MI 49104
