

Andrews University Trust Services can help you make provisions for the next generation

At Andrews University, we believe that estate planning is a God-given responsibility. It's essential—regardless of what your income or net worth may be. Without a plan for your future, you could leave your loved ones with unexpected legal problems, estate settlement delays, and unnecessary expenses.

You would also be missing the opportunity to help the next generation receive a Christian education, just as others sustained you during your student years at Andrews.

We're here to help you get started. Our Planned Giving & Trust Services officers are available to meet with you, answer questions, and help you establish a complete God-centered estate plan. This service in most cases is without cost to you!

One couple said, "We were very grateful for the professional guidance through this complicated business. We have been able to provide for our children as well as the Lord's work at Andrews".

"Our daughters are very pleased we have done this. And we feel good about it too. It brings great peace of mind to know we have our future stewardship taken care of in accordance with God's will—that has been our prayer..."
