

# A MISSION WORTH SHARING

*A department of Andrews University*

**YOU BELIEVE** in the power of Christian education at Andrews University because you've seen its work in your life and the lives of people you know. The rewards are eternal. With a charitable gift annuity, you help ensure that mission while receiving tax benefits and fixed payments for life (and even the life of another person if you choose). Give us a call at Planned Giving & Trust Services. Ours is an investment worth sharing.
