

The following gift societies recognize those donors who have contributed to the Annual Fund. These gifts are significant because they support the daily operations of the University and help grow the programs and activities that impact each student's experience at Andrews. Through the help of Annual Fund gifts we accomplished the following this year:

- ◆ Renovated Marsh Hall, Campus Ministries, ITS, Sutherland House, and Architecture
- ◆ Provided scholarships to nearly 2,000 students
- ◆ Upgraded plumbing in Lamson and Burman Halls
- ◆ Organized four mission trips in response to the Katrina and Rita disasters
- ◆ Strengthened spiritual programming through Higher Ground Sabbath School, Fusion and Vespers

Tuition provides for only 65% of the cost of each student's education. It is the generosity of our alumni and friends that provides the remaining 35%. Thank you for giving so that each student's financial burden is eased and their experience at Andrews is strengthened.

The names below in italics are those who have given a cumulative gift of \$10,000 or more in their lifetime.

Names which are followed by an asterisk (*) recognize parents of current students.
