

Charitable bequests.
Good for Andrews.
Good for you.

Dick and Claudia Sowler have been avid birders since their first date—a birding outing in a Loma Linda Foods wastewater treatment area. They love spending time outdoors, searching for new varieties and old favorites. And when they were looking for a way to make a difference at Andrews University, they didn't have to search far. By remembering Andrews University in their estate plan, Dick and Claudia can support future generations of Andrews University students—birders and non-birders alike.

Learn how you can do something that's good for Andrews—and good for you. Call or write today.
