

Past Present Future

It's all about change—almost.

**Throughout the past, the present,
and the future, one thing remains
constant: Jesus Christ and His
mission for Andrews University.**

Past & Present Future

The Miss Splash Contest

**Recognize any of these ladies?
Or their striped suitor?
They were all Miss Splash
contestants at Andrews
in the 1960s.**

**Legend has it that students wanted
to raise money for a pool to be
placed in Johnson Gym.
Unfortunately, the administration
said No Bathing Suit Contest.
Too revealing.**

**But what's the point of raising
money for a pool if you can't model
bathing suits? Enter these lovely
suits from the roaring 20s as mod-
eled by the lovely lady on the left.
(Yes, that's an actual bathing suit!)**

**Word is, they were most popular
with the fellows. Incidentally,
students in the 90s still swim in
that pool in Johnson Gym.**
