

First annual alumni vs school hockey game

Over 300 people attended the first Alumni vs. AU Cardinals hockey game in South Bend, In., on February 26, 2005. Students, alumni and friends met at the Ice Box Arena, where

the game began with the Cardinals offense scoring 4 quick goals against the Alumni team. Although the Alumni gave it their all, the young Cardinals prevailed, 7 to 2.

Following the game, everyone had an opportunity to lace up their skates and take to the ice. Cookies and hot chocolate warmed the skaters and onlookers alike, and everyone enjoyed great fellowship. The event was cosponsored by Alumni Services, Social Recreation and AUSA. Look for this to become an annual event.

California alumni gatherings

On Sabbath, Feb. 5, over 60 alumni gathered for a potluck in the Drayson Center at Loma Linda University. A team from Andrews presenting topics from campus included: **DAN TILSTRA** (MDiv '82), who helped coordinate and introduce our team; **PRESIDENT ANDREASEN** (MA '65, BD '66), who shared campus news and answered questions; Peter Cooper, chair of the department of music, shared several piano pieces; Jack Stout, professor of biology, spoke of the impact scholarships have had on biology/medical research opportunities on campus; and

DAVID FAEHNER (MA '72) introduced **TAMI CONDON** (BS '91) as the new director for Alumni Services.

On Sabbath evening, Feb. 5, Andrews Alumni enjoyed a musical vespers program at the Palm Springs SDA Church. President Andreassen opened with a worship thought and Peter Cooper performed an incredible piano concert. **BONNIE YOUNG** (former staff) and **FRANCES SCHLEICHER** (BA '54) organized a lovely supper, and alumni enjoyed mingling, leafing through yearbooks and watching a presentation on new things at AU.

Also in early February, an intimate gathering of young alumni brunched at Guadalaharry's restaurant in San Bernardino. **COREY KNOWLTON** (BS '93) and his wife, **KIM (MEDINA)** (BS '88, MSPT '89), were instru-

Dear Alumni and Friends,

Since opening in October 2003, the Howard Performing Arts Center has hosted quality music for our campus and local community.

Yet, a vital component of the Center is incomplete: The WAUS-FM studio. Fortunately, the Howards have graciously issued a Challenge Grant, pledging to match every gift that comes in before May 1, 2005, to a total of \$308,700! To date we have raised \$220,000.

Please join the many friends of Andrews who have already taken part in the Challenge Grant and double your donation (a reply envelope is included in this issue). For more information, contact Lisa Jardine, Office of Development, 269 471-3629 or jardine@andrews.edu.

Thank you!

Movement, and discussing ideas for alumni services and homecoming.

On Wednesday, Feb. 9, Napa Valley alums gathered for an evening meal at the Napa SDA Church. The highlight of the evening was a piano concert by Peter Cooper.

Finally, on Feb. 10, alumni convened at the Adventist Health facility in Roseville, Calif., for a catered meal that was graciously hosted by Paul (member of the board of trustees) and Shelly Stokstad. The group enjoyed the "Alumni Advantage" video produced by Dena King, coordinator of annual giving. Several alumni made special mention of Warren Becker and how they would like to honor and remember his contributions to Andrews.
